

HERITAGE LIFE SOLUTIONS — GOLD COAST FINANCIAL GROUP, LLC
DEBT ROLL-UP PROTECTION AND AUTHORIZATION AGREEMENT

Illinois License #22128144

Date of Execution: March 17, 2026

PARTIES

This Debt Roll-Up Protection and Authorization Agreement ("Agreement") is entered into as of the date of electronic signature below, by and between Heritage Life Solutions, a subsidiary of Gold Coast Financial Group, LLC ("Company" or "Creditor"), and the undersigned independent contractor agent ("Agent" or "Debtor").

1. PURPOSE

The purpose of this Agreement is to protect the Company from any roll-up debt, chargebacks, commission reversals, or financial liability resulting from policies written, submitted, serviced, or otherwise produced by the Agent while operating under the Company's hierarchy, organization, agency, or contracting structure. The Agent acknowledges that the Company may be held financially responsible by insurance carriers for commissions advanced on policies written by the Agent.

2. DEFINITION OF ROLL-UP DEBT

For purposes of this Agreement, "Roll-Up Debt" shall include, but is not limited to: (a) commission chargebacks resulting from policy lapse, cancellation, refund, or rescission; (b) advanced commission reversals; (c) policy replacement chargebacks; (d) carrier-imposed debit balances; (e) negative commission balances; and (f) any debt transferred, assigned, or "rolled up" to the Company as a result of the Agent's production. This definition applies regardless of the time the chargeback occurs, including after the Agent's termination, transfer, or release from the Company's organization.

3. ACKNOWLEDGMENT OF LIABILITY

The Agent expressly agrees and acknowledges that: (a) all roll-up debt resulting from the Agent's production is the sole responsibility of the Agent; (b) the Company shall not be financially responsible for any such debt; (c) the Agent agrees to fully reimburse the Company for all roll-up debt incurred as a result of the Agent's production; and (d) this obligation applies whether the Agent is active, inactive, terminated, transferred, or released from the Company's organization.

4. COMMISSION ADVANCE STRUCTURE

The Company may, at its sole discretion, provide commission advances to the Agent based on submitted and approved insurance applications. Advance rates shall be determined by the Agent's contract level, production history, and the carrier's advance schedule. Advances are not guaranteed income and are subject to repayment as outlined in this Agreement. The Agent understands that advance commission is an estimate of future earnings and that the actual commission earned may differ from the advance amount.

5. CHARGEBACK POLICY

In the event that a policy placed by the Agent is cancelled, lapsed, or otherwise terminated within the chargeback period specified by the issuing carrier, the Company shall debit the Agent's account for the full amount of the commission advance previously paid on such policy. Chargeback periods vary by carrier and product type but typically range from six (6) to twelve (12) months from the policy effective date. The Agent acknowledges and agrees that: (a) chargebacks are a standard industry practice; (b) the Agent is solely responsible for policy persistency and client retention; (c) the Company may offset chargebacks against future commission earnings; (d) outstanding

chargeback balances must be repaid in full; and (e) the Agent remains liable for chargebacks that occur after termination on policies placed during the Agent's tenure.

6. DEBT ROLL-UP MECHANISM

When an Agent accumulates a negative commission balance due to chargebacks, advances, or other authorized deductions, the Company may implement a "debt roll-up" process whereby: (a) the negative balance is consolidated into a single debt account; (b) future commission earnings are applied first to reduce the outstanding debt before any payment is made to the Agent; (c) the Company may withhold up to seventy-five percent (75%) of gross commission earnings until the debt is fully satisfied; (d) the debt balance is reviewed monthly and a statement is provided to the Agent; and (e) the Agent may request a payment plan for balances exceeding five thousand dollars (\$5,000), subject to Company approval.

7. AUTHORIZED DEDUCTIONS

The Agent authorizes the Company to deduct the following from commission earnings, bonuses, overrides, or any other compensation: (a) chargebacks for cancelled or lapsed policies; (b) overpayment of commissions due to calculation errors; (c) costs of training materials, licensing fees, or E&O insurance premiums if previously advanced by the Company; (d) technology and platform fees as outlined in the Agent's independent contractor agreement; (e) any amounts owed to the Company under any other agreement between the Parties; and (f) amounts required to be withheld by law or regulation.

8. INDEMNIFICATION

The Agent agrees to indemnify, defend, and hold harmless the Company and any affiliated entities, officers, partners, managers, contractors, or organizations from any financial loss, debt, liability, claim, or expense (including reasonable attorneys' fees) arising from: (a) the Agent's policy production; (b) the Agent's conduct with clients or prospective clients; (c) carrier chargebacks related to the Agent's production; or (d) any breach of this Agreement by the Agent.

9. NOTICE OF DEBT

If roll-up debt occurs: (a) the Company shall provide written notice to the Agent outlining the amount owed; (b) notice may be delivered by email, certified mail, or written communication to the contact information listed in the Agent's onboarding profile; and (c) the Agent shall have fourteen (14) calendar days from the date of notice to repay the balance in full.

10. REPAYMENT TERMS

The Agent agrees that: (a) the full amount owed shall be paid within fourteen (14) calendar days of written notice; or (b) the Parties may agree in writing to a structured repayment plan. Failure to make payment within the required time period or to comply with the terms of any agreed repayment plan shall constitute default under this Agreement.

11. ACCELERATION OF DEBT

Upon default by the Agent, the entire outstanding balance of all roll-up debt, chargebacks, and amounts owed under this Agreement shall become immediately due and payable in full without further notice or demand.

12. INTEREST, COLLECTION COSTS, AND ATTORNEY FEES

Any unpaid balance shall accrue interest at a rate of eight percent (8%) per annum beginning fourteen (14) days after the date of the Company's written notice of debt. The Agent agrees to pay all reasonable costs incurred by the Company in enforcing this Agreement, including but not limited to: (a) attorneys' fees; (b) court costs and filing fees; (c) collection agency fees; and (d) administrative costs associated with debt recovery.

13. RIGHT OF OFFSET

The Company shall have the right to withhold, offset, or deduct any commissions, bonuses, overrides, renewal commissions, or any other compensation owed to the Agent against any roll-up debt balance, chargeback, or amount owed under this Agreement. This right of offset may be exercised without prior notice to the Agent.

14. PERSONAL GUARANTEE

The Agent agrees that all obligations under this Agreement constitute a personal financial obligation of the Agent. The Agent waives any claim that the debt is solely a business obligation and agrees that the Company may pursue personal collection, legal remedies, and enforcement actions against the Agent individually, regardless of any business entity, LLC, or corporate structure through which the Agent may operate.

15. DISPUTE RESOLUTION

The Agent may dispute any chargeback or deduction by submitting a written dispute to the Company within thirty (30) days of the deduction appearing on the Agent's commission statement. The Company shall review the dispute and provide a written response within fifteen (15) business days. If the dispute cannot be resolved informally, either Party may seek resolution through binding arbitration in accordance with the rules of the American Arbitration Association, with the arbitration to take place in DuPage County, Illinois.

16. SURVIVAL AFTER TERMINATION

This Agreement shall survive termination, release, transfer, or resignation of the Agent from the Company's organization. The Agent's obligations under this Agreement shall remain in full force and effect until all potential chargeback periods have expired and all debts have been fully satisfied.

17. GOVERNING LAW AND VENUE

This Agreement shall be governed by the laws of the State of Illinois. Any legal action arising from this Agreement shall be brought exclusively in the state or federal courts located in DuPage County, Illinois, and the Parties hereby consent to the personal jurisdiction of such courts.

18. ENTIRE AGREEMENT

This Agreement constitutes the entire understanding between the Parties regarding roll-up debt liability and supersedes any prior verbal or written agreements on the same subject matter. This Agreement may not be modified except by a written instrument signed by both Parties. If any provision of this Agreement is found to be invalid or unenforceable, the remaining provisions shall remain fully valid and enforceable. The Parties agree that electronic signatures, including signatures executed through the Company's onboarding platform, shall be considered legally binding and enforceable.

ELECTRONIC SIGNATURE

By signing below, I acknowledge that I have read, understood, and agree to all terms and conditions of this document.

A handwritten signature in black ink, appearing to read "Marcus J. Williams". The signature is fluid and cursive, with the first name "Marcus" being more prominent and the last name "Williams" following in a similar style.

Marcus J. Williams

LEGAL COMPLIANCE STATEMENT

This document was electronically signed in accordance with the Electronic Signatures in Global and National Commerce Act (ESIGN Act, 15 U.S.C. §§ 7001-7031) and the Illinois Uniform Electronic Transactions Act (815 ILCS 333). The signer's intent to sign was demonstrated by drawing a handwritten signature on a digital canvas. Consent to electronic signing was confirmed via explicit checkboxes affirming: (1) the signer has read the entire document, (2) the signer agrees to all terms and conditions, and (3) the signer certifies the information provided is true and accurate. The signed document is retained in encrypted cloud storage (AES-256) with a SHA-256 cryptographic hash stored in the database for tamper detection and integrity verification.

This certificate is automatically generated by Heritage Life Solutions and constitutes a legal record of the electronic signing event described above.
