This Agreement establishes the terms and conditions under which such information may be disclosed and used.

2. DEFINITION OF CONFIDENTIAL INFORMATION

"Confidential Information" includes, but is not limited to: (a) leads, client data, prospect information, and personally identifiable information (PII) of clients and prospects; (b) CRM systems, databases, contact records, and dialer data; (c) proprietary sales processes, scripts, rebuttal systems, training materials, and methodologies; (d) marketing strategies, campaigns, data, and advertising materials; (e) commission structures, compensation plans, override schedules, and financial arrangements; (f) automations, workflows, proprietary technology, and software systems; (g) carrier relationships, product pricing, underwriting guidelines, and carrier-specific agreements; (h) business strategies, operational procedures, product development plans, and internal communications; and (i) any non-public, proprietary, or trade secret information disclosed in any form. All leads are expressly defined as the sole and exclusive property of the Company.

3. NON-USE AND NON-DISCLOSURE

The Recipient agrees that they shall: (a) not disclose, share, sell, transfer, or distribute Confidential Information to any third party without the prior written consent of the Company; (b) not copy, replicate, or store Confidential Information outside of authorized Company systems; (c) not use Confidential Information for any purpose other than the Permitted Purpose; (d) not allow access to Confidential Information by any third party without prior written consent; (e) immediately notify the Company in writing of any unauthorized use, disclosure, or suspected breach of this Agreement; and (f) comply with all applicable data protection laws, including but not limited to the Illinois Personal Information Protection Act (PIPA), the Health Insurance Portability and Accountability Act (HIPAA) where applicable, and any state-specific insurance privacy regulations.

4. LEAD OWNERSHIP AND PROTECTION

All leads provided to, accessed by, or generated through the Company remain the exclusive property of Gold Coast Financial Group, LLC, regardless of the source, method of generation, or the Agent's involvement in cultivating such leads. The Agent shall not contact, solicit, service, or transfer any Company lead outside of authorized Company channels. Any unauthorized use, transfer, disclosure, or exploitation of leads shall result in: (a) liquidated damages of one thousand dollars (\$1,000) per lead, per violation; and (b) full reimbursement of all legal fees, investigative costs, and enforcement expenses incurred by the Company in connection with such violation.

5. STANDARD OF CARE

The Recipient agrees to protect Confidential Information using the highest commercially reasonable standard of care, no less than the standard used to protect the Recipient's own most sensitive confidential and proprietary information.

6. EXCLUSIONS

This Agreement does not apply to information that: (a) was already known to the Recipient prior to disclosure by the Company, as demonstrated by written records predating the disclosure; (b) becomes publicly available through no fault or action of the Recipient; (c) is independently developed by the Recipient without use of or reference to Confidential Information; or (d) is required to be disclosed by law, regulation, or court order, provided that the Recipient gives the Company prompt written notice of such requirement and cooperates with the Company in seeking a protective order or other appropriate remedy.

7. RETURN AND DESTRUCTION OF INFORMATION

Upon termination of the Recipient's relationship with the Company, or upon the Company's written request: (a) all Confidential Information must be immediately returned or permanently destroyed, including all copies, notes, summaries, extracts, and derivative works, whether in physical or electronic form; (b) the Recipient must provide written certification of such return or destruction within five (5) business days of the request; and (c) this obligation includes, but is not limited to, deleting all electronic files, removing access to Company systems, and returning all physical documents, devices, and equipment.

8. NON-SOLICITATION

The Recipient agrees that during the term of this Agreement and for a period of two (2) years following termination, they shall not, directly or indirectly: (a) solicit, contact, or attempt to solicit any client, prospect, or lead of the Company for the purpose of selling competing insurance products or financial services; (b) solicit, recruit, or attempt to recruit any agent, employee, or contractor of the Company; or (c) interfere with or disrupt any existing business relationship between the Company and its clients, carriers, agents, or business partners.

9. SOCIAL MEDIA, TEACHING, AND DISCLOSURE RESTRICTIONS

The Recipient shall not: (a) post, publish, or share any Company systems, strategies, processes, scripts, training materials, or proprietary information on any social media platform, website, forum, or any other public or private medium; (b) teach, train, coach, or assist any third party in replicating or implementing Company processes, methodologies, or systems; or (c) reference, describe, or disclose Company proprietary methods, tools, or business practices in any public or private setting, whether for compensation or otherwise.

10. ANTI-CIRCUMVENTION

The Recipient agrees not to circumvent the Company by: (a) using third parties, intermediaries, or any business entity to access, exploit, or benefit from Confidential Information; (b) indirectly benefiting from Company data, leads, or proprietary information outside of authorized Company channels; or (c) assisting or enabling any third party in accessing or using Confidential Information in violation of this Agreement.

11. AUDIT RIGHTS

The Company reserves the right to audit, upon reasonable notice, the following systems and records for the purpose of verifying compliance with this Agreement: (a) CRM systems and databases; (b) dialers, call logs, and communication records; (c) financial records and commission statements; (d) email accounts and electronic communications used in connection with Company business; and (e) any other records reasonably related to the Recipient's obligations under this Agreement.

12. PERSONAL LIABILITY

The Recipient agrees to be personally liable for all obligations, breaches, and damages under this Agreement, regardless of any business entity, limited liability company, corporate structure, or partnership through which the Recipient may conduct business. This Agreement constitutes a personal obligation of the Recipient and may be enforced against the Recipient individually.

13. LIQUIDATED DAMAGES

The Parties acknowledge that a breach of this Agreement would cause substantial and irreparable harm to the Company, the exact amount of which would be difficult to ascertain. Accordingly, in addition to specific damages outlined in Section 4 (Lead Ownership and Protection): (a) any breach of this Agreement shall result in liquidated damages of twenty-five thousand dollars (\$25,000) per violation; and (b) the Recipient shall be liable for all legal fees, enforcement costs, investigative expenses, and actual damages incurred by the Company.

14. REMEDIES

These remedies are cumulative and not exclusive of any other remedies available at law or in equity.

15. EQUITABLE TOLLING

Any time limitations, restrictive periods, or statutes of limitation applicable under this Agreement shall be tolled during any period in which a breach is concealed, undiscovered, or ongoing. The tolling period shall continue until the breach is actually discovered by the Company.

16. SURVIVAL

All obligations relating to Confidential Information, non-disclosure, non-use, non-solicitation, lead protection, and damages shall survive termination of this Agreement and the Recipient's engagement with the Company indefinitely. The obligations set forth herein are not limited by any termination, expiration, or release of the Recipient from the Company's organization.

17. GOVERNING LAW AND VENUE

This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to its conflict of laws provisions. Any legal action arising under or in connection with this Agreement shall be brought exclusively in the state or federal courts located in DuPage County, Illinois, and the Parties hereby consent to the personal jurisdiction of such courts.

18. ENTIRE AGREEMENT

This Agreement constitutes the entire understanding between the Parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, understandings, negotiations, and discussions, whether oral or written. This Agreement may not be modified or amended except by a written instrument signed by both Parties. If any provision of this Agreement is found to be invalid or unenforceable by a court of competent jurisdiction, the remaining provisions shall remain fully valid and enforceable.
